

CHAPTER 3

SILVER AGE

PRODUCT SHEET

WHAT IS SILVER AGE?

Silver Age is an entirely new way to play Flesh and Blood, using only common, rare, and basic cards. Featuring Flesh and Blood's iconic roster of young heroes, games are fast, fun, and friendly on the wallet!

HOW DOES SILVER AGE WORK?

Silver Age uses young heroes and only **common**, **rare**, and **basic** cards.

Not only is this an affordable way to play, it also opens up a world of creative deckbuilding choices. Iconic heroes from Flesh and Blood's past and present truly get to shine, with rigorous development to ensure they are balanced, fun to play, and fun to play against.

QUICKSTART

- Common, rare, and basic cards only (including hero cards)
- 1 young hero
- 55 card-pool (including weapons, equipment, and inventory)
- Start with exactly 40 cards in deck
- Up to 2 copies of each unique card
- 35 minutes per round, best of 1

CHAPTER 3

WIZARD, A master of pyromancy, Blaze shapes both fate and fire to incinerate the unworthy.

LIGHT WARRIOR, Blessed by the light of Sol, Boltyn charges into the fray with radiant blade aglow.

ELEMENTAL RUNEBLADE, Embodying earth and lightning, Briar weaves the elements into verdant defenses and arcane stings.

PIRATE NECROMANCER, Captain of the drowned, Gravy Bones dredges up his crew from a watery grave to fight once more.

REVEILED GUARDIAN, Leveraging wit and wile, Lyath piles up a wealth of might to flatten his pitiful foes.
