QVIENIS

OF THE THIRD AGE

PRODUCT SHEET

CHALLENGE THE OMENS... RIDE THE LIGHTNING!

Ominous symbols appear in the skies - omens foreboding a dark fate not seen since the Third Age. Aurora, Oscilio, and Zygy must harness the Lightning Flow to challenge the approaching threat before it corrupts all of Rathe...

Omens of the Third Age features three Lightning heroes (Runeblade, Illusionist, Wizard), electrifying limited gameplay, and omens foreshadowing the future of Rathe.

Challenge the Omens... Ride the Lightning!

AURORA

AURORA'S ADVENTURES TURN STARWARD!

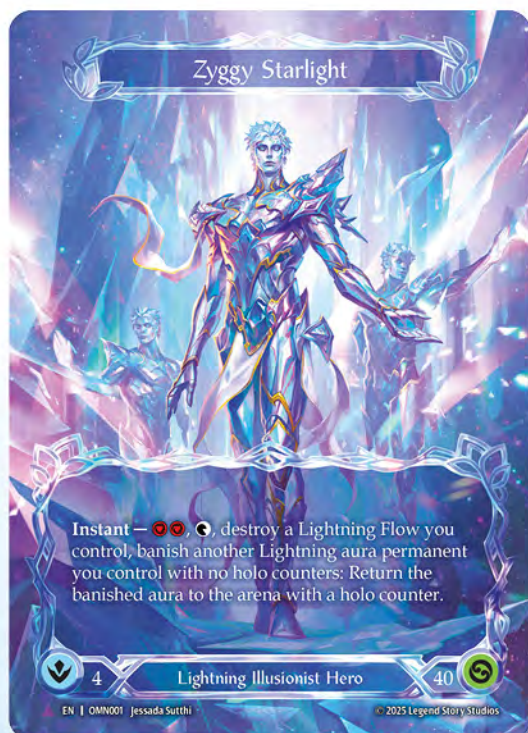

The fan-favorite Lightning Runeblade is back! Bringing her signature go-fast gameplan to the table once more, Aurora has a few stunning new tricks up her sleeve. She's still just as fun as you remember, only now she is tempered by responsibility.

ZYGGY

THE WATCHER WAITING BEYOND THE STARS!

Illusionist is imbued with the power of Lightning for the first time! Zyggy flashes their auras in and out of play as reality fragments around them. You can enter the Nebulus Rift with Armory Deck Zyggy, in stores May 29.

OSCILIO

OUR ANCIENT ARTIFACT POWERS UP!

Unleash cosmic destruction with Oscilio, in his brand new amped-up form! After being shattered in battle, Oscilio is reformed by the sacrifice of Aurora's blade, Star Fall, ready to deliver Lightning speed arcane damage combos that all Wizard fans will enjoy.
